INFORMATION DISCLOSURE STATEMENT

S I R:

In compliance with the duty of disclosure under 37 C.F.R. §1.56 and in
accordance with the practice under 37 C.F.R. §§1.97 and 1.98, the Examiner's attention is
directed to the documents listed on the enclosed Form PTO 1449. Copies of the listed documents
are also enclosed.

This information is being submitted subsequent to the later of three months after
the filing date of the present application or the mailing of the first Office Action on the merits, but
before the mailing of a final Action or the Notice of Allowance.

German reference 16 38 119 discloses an inductive displacement sensor.

Applicant does not have an English language translation of this reference readily available.

German reference 19 719 905 corresponds to U.S. Patent No. 5,973,494, a copy of which is also enclosed.

German reference 39 138 161 corresponds to U.S. Patent No. 5,055,814, a copy of which is also enclosed.

German reference 25 11 683 corresponds to British reference GB 15 02 697, a copy of which is also enclosed.

German reference 28 17 544 corresponds to U.S. Patent No. 4,504,832, a copy of which is also enclosed.

Applicant does not have an English language translation of French reference 26 82 760 readily available. However, an English language abstract thereof is enclosed.

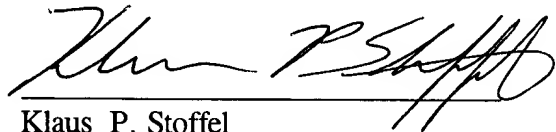

The present invention defines a specific displacement and/or angle sensor having a meandering measuring winding which is not believed to be disclosed by the enclosed references.

A Credit Card Payment Form in the amount of \$180.00 in payment of the appropriate fee is enclosed.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Respectfully submitted,
COHEN, PONTANI, LIEBERMAN & PAVANE
